

KYLES' CUP

Saturday 22 July: Kyle of Lochalsh
Sunday 23 July: Portree Harbour

Back to back passage races through local waters – best combined time wins the Kyle & Lochalsh Community Trust Cup

The Kyles' Cup weekend, run by Skye Sailing Club, will begin and end in the Kyle of Lochalsh. The courses chosen will take boats through some of the historic 'pirate infested' waters of the Inner Sound with an overnight stop in Portree for refreshment.

Each day's course will be set based upon the conditions prevailing at the time with passage distances ranging from 20 to 35 nautical miles. There will be individual day results with the combined time for both determining the winner of the cup to be presented by the Kyle & Lochalsh Community Trust.
