THE ROUND RAASAY PURSUIT RACE

6th August, 2022. Various Starts.

A CYCA handicap-based pursuit race for yachts and dayboats around Raasay followed by food and beverage at the Skye Sailing Club Scorrybreac clubhouse.

Sailing Instructions and detail will be available at www.skyesailingclub.com

Round Raasay is a challenging event based upon an imagined 8 hour passage for a boat rating 25 CYCA: faster handicap boats will start later than 1000, slower will start earlier. Start and finish will be in Portree.

Individual start times will be calculated for each entered yacht so the fleet should finish close to each other. In addition to the pursuit event there will be an elapsed time on handicap result. Should the fleet not reach the finish line at the time limit of 1800, the boat passing the most of Raasay's shoreline relative to the Dun Caan trig. point will be deemed the winner.

Entry fees are per boat:

Skye Sailing Club Members £20.

Non-Members £30

All local and visiting boats (mono or multi) with CYCA handicap available are welcome to participate. All entries must be received by Monday 1st August.

Skye Sailing Club is a Scottish Charitable Incorporated Organisation (SCIO), registration number SC044451
